This tournament will be held on the four newly refurbished water-based pitches and the three sand pitches at the Klien Zwiterland Hockey Club in the beautiful city of Den Hague.

It will be in the style of the tournament held in Barcelona in 2022 which many will remember as being brilliant. It is Spirit of Masters in concept which means it will be a social event with competitive hockey.

The organisers are expecting 50 teams by invitation only. Alliance Men propose to take 4 teams in each of the following categories:-
